STATE ALLOCATION BOARD DVBE POLICY

Adopted August 26, 1992

.....

DISABLED VETERAN BUSINESS ENTERPRISE PARTICIPATION GOALS FOR SAB FUNDED CONTRACTS IN THE LEASE-PURCHASE & STATE RELOCATABLE CLASSROOM PROGRAMS

Definitions

The term "Disabled Veteran Business Enterprise" (DVBE) means a business concern that is certified as a DVBE by the Office of Small Business, Certification and Resources.

The term "contract" means an agreement awarded by a school district in which all or part of the funding is provided by the State Allocation Board (SAB) under either the Lease-Purchase or State Relocatable Classroom Programs.

The term "bidder" means any person or persons, firm, partnership, corporation or combination thereof who makes an offer, competitive or noncompetitive, with the intent of forming a contract with one or more school districts on a SAB funded project.

Disabled Veterans Business Enterprise Goals

In addition to the school districts contracting requirements, potential contractors seeking to enter into contracts with school districts on a SAB funded project under the Lease-Purchase & State Relocatable Classroom Program for labor, services, materials, supplies, equipment, construction, alteration repair or improvement shall be required to meet a 3 percent participation goal for certified DVBE's or demonstrate that a good faith effort was made to meet the goal.

In order for any sole proprietorship, partnership, corporation or other enterprises to obtain certification or to be counted toward meeting the DVBE contract goals, such business concern must possess current and valid certification as a DVBE through the Office of Small Business, Certification and Resources.

For contracts awarded by competitive bid, a bidder must demonstrate fulfillment of this requirement at or prior to the time of bid opening in order to qualify as a responsive bidder. For contracts not awarded by competitive bid, a potential contractor must demonstrate fulfillment of this requirement prior to entering into the contract.

The DVBE participation goal shall apply to all SAB funded school district contracts over \$10,000 in the Lease-Purchase and certain contracts over \$10,000 in the State Relocatable Classroom Program (architectural, on-site inspections and utility hookups).

STATE ALLOCATION BOARD DVBE POLICY

Goals - continued

Any bidder meeting the 3 percent participation goal for DVBE's is eligible for award of a school district contract. If a bidder is unable to meet the 3 percent participation goal, the bidder shall demonstrate a good faith effort by submitting documentation of all the following actions:

- Contact was made with the school district to identify DVBE's;
- Contact was made with other state agencies and with local DVBE organizations to identify DVBE's;
- Advertising was published in trade papers and papers focusing on DVBE's;
- Invitations to bid were submitted to potential DVBE contractors; Available DVBE's were considered.

The school district shall evaluate the effort made by the bidder to seek out and consider DVBE's as potential subcontractors, and/or material or equipment suppliers. In evaluating such effort, the school district shall consider documentation of the actions specified above. Based on this evaluation, the school district may make a finding that the 3% DVBE participation goal or the good faith effort requirement has been met. The school district finding in this regard is subject to audit by OPSC. A bidder is eligible for award of a school district contract upon a finding by the school district that a 3% DVBE participation goal or good faith effort to meet the participation goal has been achieved.

If a bidder fails to meet either the goal or a good faith effort to meet the 3% goal, such bidder shall be deemed not to be a responsive bidder for purposes of the school districts's evaluation of an award of contract and is thus ineligible for an award.

SCHOOL DISTRICTS MOST FREQUENTLY ASKED QUESTIONS

What Programs administered by the State Allocation Board (SAB) must comply with the SAB Disabled Veteran Business Enterprise (DVBE) provisions?

All contracts over \$10,000 in the Lease-Purchase Program, and certain contracts over \$10,000 in the State Relocatable Classroom Program (architectural, on-site inspections and utility hookups).

Is there a minimum number of days prior to bid opening that school districts are required to place their advertisements?

In accordance with the authority granted to the SAB by Public Contract Code Section 10140, the SAB requires school districts to advertise at least 24 calendar days prior to bid opening.

Must a Disabled Veteran Business Enterprise be certified in order to participate in a contract?

Disabled Veteran Business Enterprises must be certified by the Office of Small Business, Certification and Resources, Telephone: (916) 322-5060; Internet address: <http://www.dgs.ca.gov/osbcr>

My school district is in the process of selecting an architect. Are architectural and other professional services such as construction managers, engineers, environmental and land surveyors, subject to Disabled Veteran Business Enterprise requirements?

Yes, although these contracts are not competitively bid, they are still subject to Disabled Veteran Business Enterprises requirement.

May the school district open bids and provide bidders a grace period to submit appropriate DVBE documents?

No, however, bids may be received and held unopened and bidders may be given additional time to submit their DVBE documents if approved by the school district legal counsel and specified in the invitations to bid.

May the school district require **local** Minority and Women Business Enterprise requirements/ programs on SAB funded projects?

Yes, however, if the District rejects the lower bidder because of noncompliance with the local M/WBE requirements the District will be responsible for the increase in cost.

SUBSTITUTIONS

Substitutions

If awarded the contract(s), the successful bidder must use the DVBE subcontractor and/or supplier proposed in the final bid unless the contractor requested a substitution from the school district prior to the execution of the contract and the school district has approved such substitution. At a minimum, the request must include:

1. A written explanation of the reason for the substitution,
2. The identity of the person or firm substituted, and
3. Satisfactory evidence that the DVBE contract participation certified in the original bid will still be met after the substitution.

The school district's approval or disapproval of the substitution is not to be construed as an excuse for noncompliance with any other provision of law including, but not limited to, the Subletting and Subcontracting Fair Practices Act or any other contract requirements relating to substitution of subcontractors.

FAILURE TO ADHERE TO AT LEAST THE DVBE PARTICIPATION PROPOSED BY THE SUCCESSFUL BIDDER MAY BE CAUSE FOR CONTRACT TERMINATION AND RECOVERY OF DAMAGES UNDER THE RIGHTS AND REMEDIES DUE THE SCHOOL DISTRICT/STATE UNDER THE DEFAULT SECTION OF THE CONTRACT.

PIGGYBACKING ON FURNITURE AND EQUIPMENT CONTRACTS

Piggybacking on Furniture and Equipment Contracts

Many school districts like to use or “piggyback” pre-existing Furniture and Equipment contracts. This is acceptable in the Office of Public School Construction’s Disabled Veterans Business Enterprise (DVBE) Program when the original contract:

- Has not passed its expiration date or exceeded its dollar amount (if limited), and
- Has provisions that allow for piggybacking, and
- Meets the DVBE requirements (if signed after August 26, 1992).

ROLE OF CONSTRUCTION MANAGEMENT

School Districts

Some school districts choose to contract with a Construction Management firm (CM) to perform certain functions of a project. Subcontractors working on these projects will contract directly with the school district and are treated as prime contractors for purposes of the Disabled Veteran Business Enterprise (DVBE) requirements. Each contract must either meet the participation goals or the good faith effort criteria in order to be eligible for an award. School districts and/or CM firms may assist the bidders that are seeking to comply with the DVBE requirements by developing a list of subcontractors/suppliers that could be solicited for participation. This list of interested subcontractors/suppliers would then be passed on to the plan holding contractors. The CM may assist in the coordination of forms required for submittal by the contractor/subcontractor/supplier.

The CM firm may use Parts I and II of the *Prime Bidder Good Faith Effort Worksheet form*, to develop a list of interested subcontractors/suppliers.

Part I - Contacts: The CM firm may make the required contacts listed in this part to obtain lists of subcontractors/suppliers that may be solicited to participate.

Part II - Advertisements: The CM firm may advertise in trade and focus papers. The advertisement must comply with the requirements listed in this part of the form and include a list of the plan holding contractors that will be using subcontractors/suppliers.

The CM firm must provide all "plan holding" contractors with the documentation of the above process to include on their *Prime Bidder Good Faith Effort Worksheet form*.

Part III - Solicitations: This part must be independently performed by each plan holding contractor. The requirements of this part would include inviting subcontractors/suppliers to bid, listing each DVBE contacted and indicating if the firm will be used or why it is not being used.

BIDDERS MOST FREQUENTLY ASKED QUESTIONS

What programs administered by the State Allocation Board must comply with Disabled Veteran Business Enterprise provisions?

All contracts over \$10,000 in the Lease-Purchase Program, and certain contracts over \$10,000 in the State Relocatable Classroom Program, (architectural, on-site inspections and utility hookups).

Where can I get SAB Disabled Veteran Business Enterprise Forms?

Contact the school district advertising for bid/proposals. They will provide you with the most recent forms.

I am an inspector, I do not subcontract, how do I comply?

You must complete the *Prime Bidder Certification Of Disabled Veteran Business Enterprise Participation form*, and the *Prime Bidder Good Faith Effort Worksheet form*. A business enterprise with out any opportunity for subcontracting or purchasing of supplies, must provide a narrative on *Prime Bidder Good Faith Effort Worksheet form* explaining this and be able to demonstrate its inability to subcontract or purchase supplies if an audit occurs.

Must a Disabled Veteran Business Enterprise be certified in order to participate in a contract?

Yes, Disabled Veteran Business Enterprises must be certified by the Office of Small Business, Certification and Resources.

Is there a minimum number of days prior to bid opening that primary bidders are required to place their advertisements in a publication focused toward DVBE and a trade paper for purposes of the "Good Faith Effort"?

The SAB recommends bidders comply with the Good Faith Effort requirements by advertising at least 14 calendar days prior to bid opening.

What if a bidder does not have 14 days to advertise for the purposes of completing a Good Faith Effort?

You must advertise for as many days as possible before the bid opening date. The only exception to this requirement is if time constraints imposed by the school district prohibit the bidder from advertising. All bidders must be notified of this exception.

Where do I find a list of Disabled Veteran Business Enterprises and list of advertising sources?

The Office of Small Business, Certification and Resources is located on the Internet and publishes a list of certified Disabled Veteran Business Enterprises on a monthly basis and The State Contracting Resources Packet. Their telephone number is (916) 322-5060 or (916) 323-5478. The Internet address is: <http://www.dgs.ca.gov/osbcr>

BIDDERS MOST FREQUENTLY ASKED QUESTIONS - Continued

.....

I am a distributor or sales representative of XYZ. I pick up the telephone and place the order. There isn't any installation required or the installation is completed by factory trained personnel. The delivery is arranged by the manufacturer. How do I comply with the Disabled Veteran Business Enterprise requirements?

Transfer the burden of compliance to the manufacturer. Ask your manufacturer:

- What opportunities do you have to subcontract (delivery, bookkeeping, etc.)?
- What components of the product do you purchase (nuts, bolts, plastic, wood, cardboard boxes, pallets, etc.)?
- Is equipment purchased to produce the product (safety glasses, hammer, nail gun, etc.)?
- Are any of the items identified in questions 1 through 3 currently being provided by DVBE's? If yes, prorate the amount of their participation in the products (s) to be bid and include a copy of their DVBE letter from OSBCR.
- Use the *Prime Bidder's Good Faith Effort Worksheet* form to increase your manufacturer's DVBE participation as follows:

Part I - Contacts: Make a contact in each of the three categories. Request DVBE contacts in the subcontracting or purchasing opportunities you have identified (see questions 1 through 3 above).

If you have an out-of state manufacturer ask for contacts in your manufacturer's state.

Part II - Advertisements: Place your advertisements and list your manufacturer's subcontracting or purchasing opportunities.

If you have an out-of-state manufacturer you may advertise in their state as long as all of the requirements listed on the *Prime Bidder's Good Faith Effort Worksheet* form are met.

Part III - Solicitations: List DVBE subcontractors and/or suppliers that you or your manufacturer considered for participation in this bid (i.e. those you contacted from the lists provided by the contacts you make in Part I and those who responded to your advertisement in Part II). Indicate if the subcontractor/supplier was selected, a reason if not selected or check "No Response" (if applicable).

PART II - Qualification Based Contract (Government Code Section 4526, et. seq.: i.e., architectural, etc.)

- Enter the date the Proposal was received _____ ; and,
- Fill in the first blank in the District Certification of Bid/Proposal; and,
- Sign and date where it is indicated.

DISTRICT CERTIFICATION OF BID/PROPOSAL

My signature certifies that under penalty of perjury to the best of my knowledge and belief that:

- it is the intent of the District's Board of Trustees to accept the bid(s)/proposal submitted by _____ ; including if applicable, Alternates No. (s) _____ , subject to the approval of the Executive Officer of the State Allocation Board; and,
- the Governing Board of the district understands and accepts that it is responsible for determining DVBE compliance for all contracts over \$10,000 and agrees to hold harmless and indemnify the SAB/OPSC for any damages arising out of the districts administration of the DVBE program.
- for a competitively bid contract, the contractor has provided the District with a bid bond in the amount of ten percent of the base bid, to ensure the contractor's intent to culminate the contract. This bid bond must be issued by an admitted surety (an insurance organization authorized by the Insurance Commissioner to transact the business of insurance in the State of California). In lieu of the bond, the contractor may provide a cashier's check amounting to ten percent of the base bid.
- bid(s)/proposal submitted meets the requirements of the SAB's DVBE policy adopted August 16, 1992; and,
- for a competitively bid contract, the bidder selected by the District is other than the apparent low bidder that the district either:
 - ☐ has determined that any lower bid is not in compliance with the DVBE requirements, or
 - ☐ has selected the lowest responsive, responsible bidder, pursuant to the Public Contract Code and **a legal opinion by the District's Legal Counsel which supports its selection is attached**
- I am aware of Section 6203 of the Government Code which provides that any officer knowingly making a false statement is guilty of a misdemeanor, and;
- I am aware that knowingly making a false statement may jeopardize SAB funding of this project.
